

Arlington/Fairfax/Falls Church

Directions to Rebuilding Together

**Location:
Fairfax Presbyterian Church
10723 Main Street, Suite 135
Fairfax, VA 22030,
(703) 528-1999**

Our offices are located in Fairfax Presbyterian Church. **Please note that although the address is Main Street, the church is located down a small street called Presbyterian Way.** The street is located between Fairfax Department of Health (10777 Main Street) and a Medical Building (10721 Main Street). We are about a block from the intersection of 236 and Judicial Drive.

Once you turn onto Presbyterian Way go straight towards the church then follow the road to the left where you will see the largest parking area. The entrance (which is the handicapped entrance) to our offices is near the left portion of the building (see second photo). Walk down the path toward two brick archways and then turn right. Once you enter the building take your first left. We are in room 135.

Our office phone number is: (703) 528-1999.
