

Sign Up Now for Rebuilding Together's New "Tool Library"

Rebuilding Together has created a Tool Library for House Captains and Team Leaders to borrow a limited number of specialized tools. To participate, sign the User Agreement (link) and email it to Bard Jackson at bard.jackson105@gmail.com. You'll then receive a list of the tools available and contact information for the "Custodian" of each tool. To borrow any of the following tools, you'll contact the Custodian directly to arrange for its pickup and return:

- Belt sander
- Builder's level (tripod and scope for elevations)
- Extension ladder
- Hammer drill
- Jigsaw
- Oscillating tool
- Painter's plank
- Planer
- Power washer
- Sawsall
- Scaffolding
- Table saw
- Tile saw
- Toilet auger
- *Power auger
- *Framing nailer
- *Finish nailer
- *Router and template

Sign up now to make it easy to borrow or lend a tool in the future. If you have any questions or want to include a tool in the Tool Library, email bard.jackson105@gmail.com.
