

Fairfax County, City of Fairfax and Falls Church

Lead-Based Paint Disturbance Form

Was the house built prior to January 1, 1978? YES NO

Indicate if you will disturb paint or a coated surface, the size of disturbance in each room, whether that number exceeds 6sq.ft per room in interior rooms or 20sq.ft total on the exterior, and the exact location of the disturbance. Also indicate if you will be disturbing more than 10% of any component such as a window or door or if you will be replacing any windows. Paint (Coated Surface) Disturbance – Any activity that distributes lead-based dust into the air, such as cutting, sanding or scraping.

Will you replace any windows? YES NO If so, how many _____

Room	Disturb Paint? Y/N?	Amount of Disturbance in Sq. ft	Disturbance greater than 6sq.ft per room on interior?	Disturbance of more than 10% of a component (window, door)?	Where in room? Be specific.
