I agree to refrain from sexual harassment, consisting of, but not limited to, unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. I further agree that my participation in the Program may be terminated at any time by RT-AFF, any sponsorship group to which I may belong, or by me.
- 2. ASSUMPTION OF RISK:** I am aware that by participating in the Program, I may be exposed to personal injury, illness, death or damage to my property as a result of my activities, the activities of other volunteers or the conditions under which my volunteer services are performed. I further understand and agree that by participating in the Program, that I may become exposed to viruses, infectious diseases, and potentially biological and chemical hazards unique to the specific project I am working on including, but not limited to, exposure to mold, mold spores, and chemicals used in the treatment and removal of mold and mold spores, and that exposure to mold and mold spores carries with it certain risks including, but are not limited to: allergic reactions, irritation associated with volatile organic compounds (VOCs), invasive disease, and mycotoxicosis. I acknowledge that (a) these risks are increased if I am elderly or suffer from immune system deficiencies due to disease, chemotherapy, or other causes, (b) infants are also susceptible to increased risks, and (c) I should make every effort to avoid exposing family members to contaminated clothing or tools. With knowledge of these risks, I agree to accept any and all risks of personal injury, illness, death or damage to my property related to or arising out of my participation in the Program. I further agree to comply with any applicable protocol, rule or directive (including any protocols related to infectious diseases such as the coronavirus) and assume the complete risk of any activity done (or not done) by me in violation of any applicable protocol, rule or directive.
- 3. I understand and agree that no Released Party assumes any responsibility for or obligation to provide financial or other assistance, including but not limited to medical, health and/or life insurance with respect to any Released Claim. Notwithstanding anything contained in this Paragraph 3 to the contrary, the release specifically excludes the act of any other volunteer and/or the homeowner which is determined to be grossly negligent or was done willfully and wantonly, and further excludes claims against manufacturers or suppliers for injury or death suffered by me as a direct cause and consequence of defectively manufactured materials, supplies, and/or equipment received from suppliers to the Program that are delivered to the site where I am participating in the Program.
