

## Questions to Ask the Homeowner the Day Before Repairs

**IF YES to any of the below, contact Patti, Don, or Jon**

1. Have you or anyone you live with tested positive for coronavirus?
  - a. If so, when was the test?
  - b. Have they since tested negative?
2. Have you been in close contact with someone with a known or suspected case of COVID-19 in the past two weeks?
3. In the past three days, have you or anyone in your home had a high temperature (>100.4 F) or: cough, chills, body aches, headache, sore throat, loss of taste or smell, vomiting or diarrhea?
